**Releasing Heaven's Purposes**

This sermon is adapted from the following section in APC Publication: Kingdom Builders, chapter 3, Pages 44-50.

God desires to release His purposes through each of us here on earth.

It is the Holy Spirit who conceives, births and releases Heaven's (i.e. God's) purposes through us. But we must learn how to work together with Him.

As we consider the 'Mary Miracle', there are several insights we gain, on how to release the work of the Spirit, or release heaven's purposes here on earth.

- 1, The Work Of The Spirit Is Released Into The Earth At The Appointed Time
- 2, The Work Of The Spirit Is Released Through Ordinary People
- 3, The Work Of The Spirit Must Be Unadulterated—Born Purely Of His Spirit
- 4, The Work Of The Spirit Might Be A Cause For Embarrassment
- 5, The Work Of The Spirit Is Released Through Normal Natural Processes
- 6, We Might Encounter Closed Doors Until We Reach God's Appointed Place
- 7, The Work Of The Spirit, Often Has Simple, Humble Beginnings
